

CLASP

Bylaw Amendment Proposal

PROPOSAL: That Article III, paragraph A.2. which now reads:

Members of CLASP must have received a minimum of 12 hours of collaborative law training, a minimum of 6 hours of basic mediation training by the end of the calendar year in which they join or December 31, 2007, whichever is later, and must maintain membership in the International Academy of Collaborative Professionals (IACP).

Be amended by striking out and/or changing wording, and if adopted would read:

The membership requirements of CLASP shall be consistent with and include the membership requirements of the International Academy of Collaborative Professionals. ~~Members of CLASP must have received a minimum of 12 hours of collaborative law training, a minimum of 6 hours of basic mediation training by the end of the calendar year in which they join or December 31, 2007, whichever is later, and must maintain membership in the International Academy of Collaborative Professionals (IACP).~~

Rationale for change:

To specify the membership requirements of CLASP shall be consistent with the membership requirements of the International Academy of Collaborative Professionals.
